

Hello CCS Family,

I am Sonya Wentland and I will be the Piano Teacher at CCS this year. I am so excited about the opportunity of teaching and showing your child the joy of music through the piano. I began taking piano lessons when I was 6 years old. I have been teaching piano for 18 years. I graduated from the University of South Alabama in 1992 in Elementary Education.

I like to teach using a combination of methods. I will be using the Alfred's Piano Series but will also incorporate Christian songs and other fun music for the students to learn. My goal is to develop a love and appreciation of music and piano in each student and through learning to play they may glorify God. I will be contacting each of you that sign up for lessons to discuss your child's needs. You may also contact me at 251-490-6113 for any questions you may have about piano lessons.

Thank you for your interest,

Sonya Wentland
